WHEREAS, the Grantee is authorized by N.J.S.A. 13:1D-9 to formulate comprehensive policies for the conservation of the natural resources, to promote environmental protection and prevent pollution of the environment of the State by N.J.S.A. 13:9B, and is authorized by N.J.S.A. 13:8B-3 to acquire and enforce conservation restrictions; and

WHEREAS, the Grantor, having the authority to do so, intends to enter into this Conservation Restriction in order to grant to the Grantee a Conservation Restriction / Easement on the Property to restrict subsequent development of the Restricted Area.

NOW THEREFORE, in consideration for the issuance of the Transition Area Waiver and for the valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and the facts recited above and the terms, conditions and restrictions contained herein, the Grantor hereby agrees that the Property shall be subject in perpetuity to the following conveyances, covenants and restrictions in favor of the Grantee:

1. Grantor hereby conveys, transfers, assigns and grants to the Grantee a Conservation Restriction / Easement with respect to that portion of the Property as designated as the Restricted Area as shown in **Exhibit B** and as described in **Exhibit C**.
2. The following activities shall not occur within the Restricted Area:
 - (a) Removal, excavation, or disturbance of the soil;
 - (b) Dumping or filling with any materials;
 - (c) Installation of structures;
 - (d) Placement of pavement;
 - (e) Destruction of plant life which would alter the existing pattern of vegetation;
 - (f) The use of fertilizers, herbicides or pesticides;
 - (g) Taking any action to alter the hydrology of the Restricted Area;
 - (h) Any other activities constituting a regulated activity under N.J.A.C. 7:7A-2.6, as amended, ("Regulated activities in transition areas").
3. The boundaries of the Restricted Area shall be marked by an unobtrusive, semi-permanent visual marker in a manner of the Grantee's choosing, and to the Grantee's satisfaction, within 30 days of recording this Deed. Examples include fence post, pipe in the ground, or survey markers.

4. This Conservation Restriction / Easement shall be a burden upon and shall run with the Property, and shall bind Grantor, its successors and assigns, in perpetuity. The Grantor shall give notice of this deed restriction to all holders of any easements in the Restricted Area within 30 days of recording by the County Clerk.
5. It is the purpose of the Conservation Restriction / Easement to assure that the Restricted Area will be maintained as such and to prevent any disturbance or development of that portion of the Property. To carry out this purpose, the following rights are granted to the Grantee by this Conservation Restriction / Easement:
 - (a) To enter upon the Property in a reasonable manner and at reasonable times so as to assure compliance with the provisions of this Conservation Restriction / Easement; and
 - (b) In addition to the exercise of any other statutory or common law right, to enjoin any activity on, or use of, the Restricted Area that is inconsistent with the purpose of this Conservation Restriction / Easement and to enforce the restoration of such areas or features of the Restricted Area that may be damaged by inconsistent activity or use.
6. Grantor shall provide the Grantee telephonic and written notice of any transfer or change in ownership of any portion of the Restricted Area, including but not limited to the name and address of the new owner, and including but not limited to any later-formed condominium association, at least one month prior to the day of the signing of those documents accomplishing the actual transfer or change in ownership.
7. In addition to, and not in limitation of, any other rights of the Grantee hereunder or at law or in equity, if the Grantee determines that a breach, default or violation ("Violation") of this Conservation Restriction / Easement has occurred or that a Violation is threatened, the Grantee shall give written notice to Grantor of such Violation, setting forth the specifics thereof, and demand corrective action sufficient to cure the Violation. If the Grantor fails to cure the Violation after receipt of notice thereof from the Grantee, or under circumstances where the Violation cannot reasonably be cured within a time period dictated by the Grantee, fails to begin curing such Violation within the time period dictated by the Grantee, or fails to continue diligently to cure such Violation until finally cured, the Grantee may bring an action at law or in equity in a court of competent jurisdiction:
 - (a) to enjoin and/or cure such Violation,

- (b) to enter upon the Restricted Area and to take action to terminate and/or cure such Violation and or to cause the restoration of that portion of the Restricted Area affected by such Violation to the condition that existed prior thereto, or
 - (c) to seek or enforce such other legal and/or equitable relief or remedies as the Grantee deems necessary or desirable to ensure compliance with the terms, conditions, covenants, obligations and purpose of this Conservation Restriction / Easement.
- 8. If the Grantee, in its discretion, determines that circumstances require immediate action to prevent or mitigate significant damage to the Restricted Area, the Grantee may pursue its remedies under paragraph 7 above without prior notice to Grantor or without waiting for the period provided for cure to expire. The Grantee's rights under this paragraph shall apply equally in the event of either actual or threatened Violations of the terms of this Conservation Restriction / Easement. Grantor agrees that the Grantee's remedies at law for any Violation of the terms of this Conservation Restriction / Easement are inadequate and that the Grantee shall be entitled to the injunctive relief described in this paragraph, both prohibitive and mandatory, in addition to such other relief to which the Grantee may be entitled, including specific performance. The above language shall in no event be interpreted to derogate or diminish the Grantee's rights and powers under the laws of the State of New Jersey for the protection of public health, safety and welfare.
- 9. Enforcement of the terms of this Conservation Restriction / Easement shall be at the discretion of the Grantee and any forbearance by the Grantee to exercise its rights under this Conservation Restriction / Easement in the event of any Violation by Grantor shall not be deemed or construed to be a waiver by the Grantee of such term or of any subsequent Violation or of any of the Grantee's rights under this Conservation Restriction / Easement. No delay or omission by the Grantee in the exercise of any right or remedy upon any Violation by Grantor shall impair such right or remedy or be construed as a waiver of such right or remedy.
- 10. Grantor agrees to reimburse the Grantee for any costs incurred by the Grantee in enforcing the terms of this Conservation Restriction / Easement against Grantor, and including, without limitation, the reasonable costs of suit and attorneys' fees.

11. The Grantee reserves the right to transfer, assign, or otherwise convey the Conservation Restriction / Easement to any other entity or person to facilitate the operation of and/or public use and enjoyment of the Restricted Area.
